

DIGITAL PRESENCE & MARKETING SERVICES AGREEMENT

Project: Indian Law Professionals
Initial Contract Period: Three (3) Months

SERVICE PROVIDER

Name: AbhiSandeep
Email: collabwithAbhisandeep@gmail.com
Phone: +91 7799699783

CLIENT

Name: Hari Krishna
Project: Indian Law Professionals
Email: Manager@zenoralifesciences.com
Phone: +61 433 215 971

1. ONE-TIME SETUP — ₹40,000

The one-time setup includes the following:

A. Professional Website

- Professional responsive website for Indian Law Professionals
- Advocate profile and professional information
- Will Writing / Will-related legal information as the primary focus
- Other legal practice areas
- Contact and enquiry system
- WhatsApp integration
- Razorpay payment gateway integration
- Secure document upload functionality
- Mobile-responsive design
- Website deployment and configuration

B. SEO & Local Search Setup

- Basic on-page SEO
- Initial keyword research and optimisation
- Google Search Console setup

- Local SEO setup
- Google Business Profile setup and optimisation
- Initial relevant local citations and directory listings
- Justdial setup
- Sulekha setup
- Other relevant local/legal listings where appropriate

C. Social Media Setup

The following six social media profiles will be set up and optimised:

- Instagram
- Facebook
- YouTube
- LinkedIn
- Threads
- X (Twitter)

This includes profile optimisation, basic branding, descriptions, links and account configuration.

D. n8n Social Publishing Automation

An initial n8n workflow will be configured to support automated social media publishing for the agreed platforms. The purpose of the automation is to reduce repetitive manual posting work and create a structured publishing workflow.

The automation will use available official platform APIs, supported integrations or suitable third-party publishing tools where required. Automation capabilities depend on the current API availability, account permissions, platform restrictions and third-party service limitations of each platform.

The setup does not guarantee that every platform, content format or publishing feature will support fully automated publishing. The initial automation covers the agreed social publishing workflow. Additional complex automations, AI content-generation workflows, advanced analytics automation, approval systems or additional integrations may be quoted separately.

2. MONTHLY MANAGEMENT — ₹25,000 / MONTH

The initial contract period will be three months at ₹25,000 per month. The monthly management package includes:

Content Production

- One visit to Kavali every month for content shooting
- Monthly content planning
- Script writing
- Batch shooting for the month
- 8–12 short-form videos/reels per month
- Video editing
- Content captions and basic platform optimisation

Social Media Management

-
- Publishing and management across the agreed social media platforms
 - Manual publishing where required
 - n8n-assisted automated publishing where supported
 - Platform-specific formatting where required
 - Advocate personal branding
 - Will Writing awareness and educational content
 - Other relevant legal educational content

Google Business Profile

- Google Business Profile maintenance
- Regular posts
- Relevant updates
- Basic profile optimisation
- Local content updates

Creative & Reporting

- Posters and social media creatives
- Monthly content planning
- Monthly performance report
- Basic optimisation based on content performance

The monthly package is based on the agreed deliverables above. Additional shoots, additional videos, long-form video production, extensive graphic design, website feature development or other work outside this scope may be quoted separately.

3. ADVERTISING BUDGET

The advertising budget is separate from the professional management fee. An initial budget of ₹5,000 per month will be funded directly by the client to the Meta advertising account.

The ₹5,000 advertising budget is not included in the ₹25,000 monthly management fee. Any increase or additional advertising budget will require prior approval.

Paid advertising activities will be carried out subject to applicable platform policies and professional/legal requirements.

4. THIRD-PARTY COSTS

The following costs are separate from the professional fees and will be paid directly by the client or reimbursed at actual cost:

- Domain registration and renewal
- Website hosting
- Razorpay/payment gateway transaction charges
- Paid plugins or software
- n8n hosting, if applicable
- Third-party API or publishing service charges

- Third-party automation tools
- Premium subscriptions
- Any other paid third-party service required for the project

No third-party paid subscription will be purchased on behalf of the client without prior approval.

5. INITIAL CONTRACT PERIOD & FEES

The initial contract period is three months. Professional fees for this period are summarised below:

Description	Qty	Amount (₹)
One-Time Setup Fee	1	40,000
Monthly Management Fee	3 months	25,000 / month
Monthly Management Subtotal		75,000
TOTAL PROFESSIONAL FEES — INITIAL 3 MONTHS		₹ 1,15,000

Advertising budget and third-party costs, as set out in Sections 3 and 4, are separate from the professional fees above.

6. PAYMENT TERMS

One-Time Setup

- ₹20,000 advance is payable before project commencement.
- Remaining ₹20,000 of the one-time setup fee is payable upon completion of the agreed one-time setup.

Monthly Management

- ₹25,000 is payable each month during the initial three-month contract period.
- Work may be paused if monthly payments remain outstanding.

7. CONTENT & LEGAL APPROVAL

All legal information, service descriptions, educational content and claims relating to legal services will be subject to review and approval by the Advocate/client before publication.

The Advocate/client will be responsible for confirming the legal accuracy and professional compliance of the content.

The content strategy will primarily focus on educational, informational and professional content relating to Will Writing and other relevant legal areas.

8. CLIENT RESPONSIBILITIES

The client will provide the information and access required to complete the project, including:

- Advocate's professional information
- Professional photographs
- Branding materials

- Legal service information
- Website information
- Domain access
- Hosting access
- Social media account access
- Google Business Profile access
- Required documents and information
- Timely content and website approvals

Any delay in providing information, account access or approvals may affect the project timeline.

9. WEBSITE, ACCOUNT & DATA OWNERSHIP

Client-specific website content, social media accounts and business profiles created for the project will remain under the client's ownership.

Domain and third-party accounts should preferably be registered using the client's own account/details.

Upon receipt of all applicable payments, the completed website and client-specific project materials will be handed over as agreed.

Client documents uploaded through the website will be handled using the agreed secure document-upload functionality and access controls.

10. REVISIONS & ADDITIONAL WORK

Reasonable revisions related to the agreed scope are included.

Requests that materially change the agreed website functionality, content volume, number of videos, number of shoots, automation requirements or other deliverables may be treated as additional work and quoted separately.

The monthly package does not include unlimited content, unlimited revisions or unlimited development work.

11. TRAVEL & SHOOTING

The monthly package includes one visit to Kavali every month for the agreed content shoot.

Any additional physical visits or additional shoots outside the agreed monthly visit may be discussed and charged separately if required.

12. RENEWAL AFTER THREE MONTHS

The initial agreement is for three months at ₹25,000 per month.

After completion of the initial three-month period, the parties may mutually renew the monthly management agreement.

The proposed management fee from the fourth month onwards will be:

₹ 35,000 / month

The ₹35,000 monthly fee will apply only after mutual confirmation and renewal by both parties.

13. N8N AUTOMATION LIMITATION

The n8n automation included in this agreement is an initial social publishing workflow and not an unlimited automation development service. The workflow depends on:

- Official platform API availability
- Account permissions
- Platform policies
- Media format restrictions
- API limits
- Third-party publishing tools, where applicable

If a platform does not permit a particular automated publishing function, the relevant content may need to be published manually. Additional automation workflows or complex integrations can be developed separately if required.

14. PROFESSIONAL & PLATFORM COMPLIANCE

The client/Advocate is responsible for ensuring that all legal content, professional information and public communications comply with applicable laws, professional rules and platform policies.

The service provider will not knowingly publish content that the client/Advocate has identified as legally or professionally non-compliant.

The client/Advocate will have the opportunity to review and approve legal content before publication.

15. AGREEMENT & ACCEPTANCE

By signing below, both parties confirm that they have reviewed and accepted the scope, pricing and terms of this agreement.
